Self-Guided Visit: 1:10 ratio

The Frazier History Museum is pleased to team up with the Kentucky Derby Museum to bring you two field trips in one! In the morning, you'll visit the Frazier History Museum to experience over 1,000 years of history. Groups may choose from one of the Frazier Museum's Guided Programs or opt for a self-guided visit.

At the Kentucky Derby Museum you'll have your choice of a combination of the following: educational programming, time in the exhibits, a guided tour of Churchill Downs, and a viewing of the film, *The Greatest Race*, on a 360 degree screen. Groups will learn about the importance of horses through history, their connections to other cultures, and the changes in equipment over time using math and science. Experience the fun and excitement for yourselves!

Self-Guided Schedule: (groups should plan to arrive at the Frazier Museum by 9:45)

10:00 – 11:30 Self-Guided Visit at the Frazier Museum

11:30 – 12:00 Travel to KY Derby Museum (*Teacher is responsible for arranging transportation*)
